

Homework 1

Write a one page tutorial on any new subject in EE fields

Follow the IEEE two-columns format

Convert it to PDF

Should include:

- Title in the middle of the page
- Author name and student number below title
- Abstract
- At least one figure or graph
- At least one table
- At least 5 references
- Body font size 10

Submission by email (techwritework@gmail.com). Deadline is next week Wednesday October 29, 2014, midnight.

Read chapters 2 and 3 before next lecture
